

Save money with mat service

- ▶ \$1 spent keeping soil out of a building will save \$10 in the cost of soil removal
- ▶ 39% of custodial time is devoted to floor care maintenance
- ▶ 85% of the dirt tracked into a facility can be stopped with 15 feet of matting
- ▶ Without entrance matting, 1500 people can remove 42% of the finish off of a floor
- ▶ No large up-front cost to purchase your matting products
- ▶ Properly laundered and dried mats are more effective at capturing dirt
- ▶ The frequency of service can be designed to match the amount of traffic in your facility
