WORKPLACE APPAREL, FLOOR MAT PROGRAMS, AND FACILITY SERVICES

Family Owned. Customer Focused.

Sarah Plymate, Ben Warnecke, Terri Plymate Warnecke, Todd Plymate

Thank you for taking a moment to learn more about Plymate. Now a fourth generation family business, our continued commitment is evident in our expanded facility and our investment in the latest technology for garment handling and tracking.

What makes a vendor the perfect choice for you is as individual as you are, but we have found there are three primary reasons why we earn and retain customers:

- **We offer the "best of both worlds"** We are unburdened by corporate hierarchy, so we can respond quickly and with flexibility to meet your needs. Yet as members of the CSC Network alliance of independent laundries, we have the purchasing power necessary to compete and thrive against the "national players"
- **The most experienced coworkers in the industry** The loyalty of our workforce is exhibited in our high coworker retention rate, and their attention to customer satisfaction is at the core of our philosophy. Tenured coworkers who think "customer first" set us apart from the rest.
- **Recognized ethical business practices** Trusting the people you do business with is paramount. Our founder Glenn Plymate used to point to our trucks saying, "That's our family name. Take good care of it." Doing the right thing is a fundamental value that everyone embraces at Plymate. We are proud to have earned statewide recognition for our ethical business conduct.

We hope you will want to learn more about our story and we would welcome the opportunity to learn yours. Please feel free to contact us directly.

The Plymate Difference

You can get uniforms, floor mats and corporate appare from a number of companies. So why choose Plymate?

We Make Service Personal

Many companies say it, but we deliver – service is our first priority. Plymate creates customized programs for large and small companies. We'll never offer you a one-size-fits-all solution - that's just not the way we do business. In fact, everyone at Plymate rides along on one of our routes every year to better understand our customers' needs.

Award-Winning Ethics

We're proud to have earned the trust of our customers and our community. Plymate has been recognized and awarded for our ethical approach to business, our commitment to improving our products and services, and as a great place to work.

Some of the awards we have received include: **American Business Ethics Award Better Business Bureau Ethics Award Best Places to Work in Indiana BKD Business Excellence Award Blue Chip Community Business Award Top Work Places**

But more important to us than awards is our 96% customer retention rate. Nothing pleases us more than continually building long-term relationships with our satisfied customers. In fact, every Plymate coworker is paid a quarterly bonus based on customer retention.

Generations of Experience

Our company has been in business since 1930, and we have learned valuable lessons along the way. We offer the flexibility of a local, independent, family-owned business. That means you can call an owner when you need to get an answer from the top. Our decisions are based on fostering long-term relationships, not short-term results intended to please Wall Street.

"In my opinion the transition from previous supplier to Plymate went very well due to Plymate's professionalism and it's team. I have changed vendors several times over my career and I am pleased to say that Plymate has their change over process down to a science. Very Good Job! Thank you Plymate for making it easy!"

- Jim Bronchik, Vice President of Administration **Oscar-Winski**

The Smart Solution in Workplace First Aid Safety

Competitor Comparison

When you compare Plymate's First Aid Safety Program to the alternatives, there's no contest. We offer a faster, easier, all around better solution.

Program Features	Plymate's First Aid and Safety Program	Van Service (e.g., Cintas)	Do-it-Yourself
Delivery/Check-In	Weekly or Biweekly	Monthly or Longer	None
Budgeting	Same investment every week	Fluctuating bills based on price of refills and service fees	Upfront cost plus refills (with cabinets typically cost \$123-183 and refills around \$5-9 each)
Time	No time required from the customer	No time required from the customer	Paid time and loss of productivity of employees buying supplies and checking cabinet – plus staying up to date with regulations
Cabinet Organization	With SmartCompliance®, supplies are organized uniformly between cabinets, with consistent, locked refill placement	Shelf system with inconsistent refill placement and that does not come with refill lock system	Organization managed internally, costing additional employee time
Vendor Consolidation	Plymate is one of the only providers that offers a single invoice and contact for all products	Split invoicing and multiple points of contact for various products	Invoice is separate from current vendor contracts

Smart and Innovative

Our first aid cabinets will protect your employees and keep your work place safer.

- Regular cabinet inventory inspections
- Dispenses Supplies One at a Time, Controlling Excess Usage and Over Stocking
- Cabinets with unique grid system that keeps your cabinet organized
- Meets or Exceeds OSHA Regulations & ANSI 2015 Standards

OSHA Compliant | Cost Effective | Worry Free

Floor Mat Rental Services

Plymate is Indiana's largest stand-alone mat facility. This allows us to offer countless solutions to your matting needs. We are making the world a cleaner, safer, better looking place – one mat at a time.

LOGO MATS

With our custom logo mats you are building your brand 24 hours a day. Greet your customers and your co-workers with your logo and leave a lasting impression!

- Permanently printed, plush nylon surface.
- Photographic quality images.
- 100% Nitrile rubber backing for increased slip and skid resistance.
- Fully launderable.
- Ideal for high traffic, indoor applications.

Refill Boxes

Never be out of stock! With Plymate's weekly cabinet checks you will always have automatic replenishment and stay in compliance. ANSI compliance is clearly identified.

RUBBER MATS | Comfort Flow[™] | Scraper[™]

dirt at the door.

- 100% Nitrile rubber for superior grease and oil resistance.
- equipment.

Standard Sizes: 2' x 3', 3' x 5', 3' x 9', 4' x 6', 6' x 6'

888-962-8626

888-962-8626

FACILITY **SERVICES**

Our anti-fatiguing matting will keep your co-workers' feet smiling, and our scraper mats will stop

Treated with an anti-microbial agent to guard against degradation from microorganisms, reducing the possibility of mats being the source of odors. Anti-static properties allow for use around sensitive electronic

THE WATERHOG PLUS™

The famous waterhog mat is now available as a rental product so you can keep this dirt-and-water-grabbing mat performing and looking its best.

- Fully launderable, Nitrile rubber backed Waterhog mat with a 100% recycled P.E.T. surface.
- "Water Dam" border is designed to hold dirt • and moisture.
- Raised nubs hold dirt and moisture below foot level and are resistant to crushing.
- Strong ability to absorb liquids makes this mat perfect for indoor or outdoor use.
- Indoor/Outdoor.

Standard Sizes:

3' x 4', 3' x 10', 4' x 6', 5' x 10'

CLASSIC CURVED CORNER MATS

Our signature "curved corner" mats are both attractive and functional. They are available as stock products in 6 colors and 6 sizes. In addition, we can provide you with nearly any size or color combination...with "curved corners" as a custom item.

- High twist, heatset nylon yarn construction resists packing and crushing. Dirt filters into the mat rather than remaining on top.
- Mat is static dissipative with StainStopper™ Technology.
- Yarn dyed with Perma-Dye[™] dying technology for vibrant color.
- Indoor/Launderable.

Standard Sizes: 3' x 4', 3' x 10', 3' x 15' 4' x 6' 5' x 8', 5' x 12'
